California operations, he steadily grew the core construction and materials business while expanding our alternative procurement project portfolio, and he significantly increased our presence in the private works arena. He is a well-respected leader who I am pleased to welcome to the executive team. I look forward to our continued collaboration and partnership."

"As a Granite veteran, Jim has a deep understanding of our business and culture, and he has a track record of delivering results," said Larkin. "In his most recent role leading our

Since joining Granite in 1980, Radich has served in a progression of leadership roles across diverse end markets including tunneling, marine work, structures, underground, and earthwork. Prior to this appointment, Radich served as senior vice president and California group manager. From 1993 to 2011, Radich was employed outside of Granite. He is a proven leader and was named Granite's 2020 Outstanding Leader, a recognition of individual achievement and embodiment of Granite's Core Values. Radich will be based in Watsonville, California.

Radich received a B.S. in Civil Engineering from Santa Clara University, and is a Registered Civil Engineer in California.
