

Granite Wins Eight Excellence Awards from NSSGA

WATSONVILLE, Calif.--(BUSINESS WIRE)--Granite (NYSE:GVA) announced it has been awarded eight 2021 Awards of Excellence from the National Stone, Sand & Gravel Association (NSSGA). NSSGA is the leading association for aggregate producers and the equipment manufacturers and service providers who support the industry. Its members produce more than 90% of the crushed stone and 70% of the sand and gravel used in the United States each year.

□ The Awards of Excellence program recognizes “NSSGA member company operations’ achievements in the areas of Community Relations, Environmental and Safety Excellence.” Granite secured awards in all three areas, with four Environmental Awards (two gold, one silver, one bronze), one Safety Award (gold), and three Community Relations Awards (all bronze).

“This recognition from NSSGA confirms what we already know about Granite: we have consistently high standards and dedicated employees who make excellence their mission,” said Granite Vice President of Construction Materials Brad Estes. “On behalf of our plant and facilities teams, thank you to the NSSGA for this acknowledgement of our efforts.”

“We at NSSGA congratulate you and your team on this achievement,” said NSSGA CEO, Michael Johnson. “Your continual efforts to operate your business in a way that is safe, environmentally responsible and as a trusted member of your community contribute to the health and success of the aggregates industry.”
